## Purpose of this document

The purpose of this FSG is to assist you in deciding whether to use our services by giving you information about the type of services we provide, how we are remunerated and your rights when you have a complaint about the services we provide to you.

We recommend that you read and understand this FSG before you engage us to provide you with any financial services. If you have any questions, please get in touch with us.

## Additional documents you may receive from us

When we provide you with financial planning services you may receive:

- a Statement of Advice (**SoA**) or Record of Advice (**RoA**). These documents set out the advice we provide to you. If you have not been provided with the ROA, you may request a copy of it free of charge at any time within 7 years after the advice was provided to you, by contacting us;
- a Product Disclosure Statement (**PDS**) which provides details about the significant risks and benefits, costs, charges and other significant characteristics or features of the products we have recommended.

If you enter into an ongoing service agreement with us, you will receive annual fee disclosure statements and we will ask you to renew the agreement and consent to the deduction of advice fees from your account each year.

## Not independent

Because we receive commissions on the sale of life risk insurance products that are not rebated in full to clients.

We are not able to refer to ourselves or our advice as 'independent', 'impartial' or 'unbiased'.

### **How can you provide us with instructions?**

You can give us instructions by phone, email or any other means that we agree with you from time to time. Please refer to our engagement letter for more information on this.

### **Who does the Licensee act for?**

As authorised representatives, we provide financial services on behalf of the Licensee. In providing those financial services, the Licensee acts on its own behalf.

### **Fees**

All fees are payable to Wealthyer. Simon Cammiss is the owner of Wealthyer and shares in the profits that are made.

### **General advice**

We may charge you a fee for any general advice we provide to you. That fee may be either a fixed fee or based on the amount of hours it takes us to prepare and provide you with the general advice. The amount of these fees usually ranges from \$400 to \$1,500 but may exceed this range in complex cases.

Details of the fee will be agreed with you beforehand. You may request information about these fees within a reasonable time after receiving this FSG but before you are provided with any general advice.

### **Personal advice**

We will charge you a fee for any personal advice we provide to you. That fee may be either a fixed fee or based on the amount of hours it takes us to prepare and provide you with personal advice. The amount of these fees usually ranges from \$3,300 to \$6,600 but may exceed this range in complex cases.

These fees will be agreed with you beforehand and will be disclosed in a SoA or RoA which will be provided to you.

### **Ongoing fees**

Our ongoing fees depend on the ongoing service that we provide to you. They are typically charged as an agreed fixed price of between \$4,800 and \$13,200 and are paid monthly. The amount of ongoing fees will depend on your total assets under management and other factors such as the complexity of your portfolio, the regularity of reviews and any additional services we are providing.

Any ongoing fees will be agreed with you in our service agreement.

### **Brokerage fees**

We do not charge you for brokerage, but brokerage fees may be payable to third parties who execute transactions on your behalf.

The services and fees will be set out in the SoA or RoA that we provide to you.

### **Insurance commissions**

We receive a one-off upfront commission when you take out an insurance policy we recommend. The upfront commission will be between 22% and 66% of the first year's annual premium.

We also receive an ongoing commission payment of between 11% and 33% of the annual premium for as long as you continue to hold the policy.

For example, for an insurance product with an annual premium of \$2,000, where the issuer pays us an upfront commission of 66%, we will receive \$1,320. The issuer will pay us 22% of the annual premium as ongoing commission for as long as you hold the product. Assuming an annual premium of \$2,000, this equates to \$440 per year.

You will be advised of the exact amount of these commissions in the SoA or RoA.

## Other benefits

We may also receive additional benefits by way of sponsorship of education seminars, conferences or training days. Details of any benefits received above \$100 will be maintained on a register which is available to you on request.

## Adviser remuneration

Our representatives are paid a base salary and do not receive commissions from product issuers. However, Simon Cammiss owns Wealthyer and shares in the profits that we make.

## Associations

We are required to disclose any associations or relationships between us, our related entities and product issuers that could reasonably be capable of influencing the financial services we provide to you.

No such associations or relationships exist.

## Conflicts of interest

Our representatives may recommend investments in shares that they hold or may hold in the future. You will be advised where a conflict of interest may exist and how the conflict will be managed.
